## BOLLE SUNGLASSES

To celebrate the release of *30 Days Of Night* (out now), TNT has a pair of Bolle sunglasses up for grabs. The film tells the story of an isolated Alaskan town that's plunged into complete darkness for 30 days every winter. This year a group of bloodthirsty vampires turn up, ready to feast on the town's residents in the uninterrupted darkness.

Our winner will also score an original pair of vampire's teeth from the movie set.
